Thank you Kate,

Yes please include the mounting plate. Do you require the PO adjusting?

Kind regards

Ashley

Good afternoon Ashley,

Thank you for your order.

We have a memo against your account to say: *customer has requested for all Capnographs to be supplied with a mounting plate (fitted) (part number **4420601**). Always check first if they require this before adding to the order. If you require this, the price is £10.20 each.*

The VM-2500-M are not currently in stock. The lead time is approximately 1-2 weeks.

I await your reply.

Many thanks.

Kind regards

Kate Griffiths
