Dear Dimitrios

Do you have an order number for this new purchase order, or should we just use the date as the initial reference?  
When do you require delivery for?

As agreed, on the pro-forma we will include the extra part shipping costs for the previous orders.

As you are aware it is difficult to provide a delivery date due to the long production times and your specification requirements.

At the moment we are working on trying to complete your existing order (Viamed ref. CVM148048) for 100 sensors.

Regards

Steve
