Hello Sotris

Good morning

Thank you for your email.

I did advise you on the 13/02/23 that there was a lead time of 5-7 weeks.

We still have a lead time of 2-4 weeks as we are still waiting for the VersaStream Nasal Sampling Line (4420807) to arrive in stock, of course if they arrive any sooner we will make you aware before we dispatch your order.

Sorry for any inconvenience caused by this.

Please let me know if I can assist with anything else.

Kind regards
