Hello Catrin

Sorry to be a pain, 2 isn't enough to trial. I have a couple of consultants that are more particular than other we need to get them past. So, if it would be possible could we have some more, say another 6.

Regards

Alastair

Dear Alastair,

Thank you for requesting samples for the BIS EEG sensors, which you have been liaising with my colleague Sophie.

Samples were sent out to you at the beginning of last week, I just wanted to check that these had been received and if you have any feedback for us at this stage.

I look forward to hearing from you.

Kind regards

Catrin Hollings

I would be happy to send you a couple of samples to try out - please can you let me know the full address to send these to - should they be marked for your attention?

Kind regards
