Hi Sophie,

Please can you send me a quote for x1. This will be easier to push through and then we may be able to push more through once x1 has gone through.

Kind regards,  
Charlie

Hi Lawrence,

I understand you spoke to my colleague earlier regarding changing everything on your quote to a quantity of 2. I am sorry I did not get to speak with you, I have been experiencing technical issues with my phone today.

I have amended your quotation as per your request - please find this attached and let me know if I have got this correct, or if you require any further amendments.

If you have any questions please do not hesitate to contact me.

Kind regards
