Hi,

If I good understand, I must do account on your site, do the payment with card and after I received the invoice with VAT number. If is not correct, please, give me an alternative to make de payment with card (Revolut) because we do not have GBP account.

For invoice, our VAT number is RO 43716683, but I repet, I want to do card payment because is much easy to us for the moment.

As you can see, our company provide medical gas installation and we need for the moment just 1 piece of this product.

Best regards.

Mihaela

Dear Mihaela

Thank you very much for your email.

We would be happy to supply you with the Mysign O and we would provide an invoice with a VAT number. We can also add your VAT or EORI number to the invoice if you can provide it?

We would normally ship with UPS, but we would not have any information such as car number or driver name. We would supply a tracking number.

Please can you let me know if you are looking for just one device or do you have a requirement for more?

Would you like me to send you a proforma invoice with the total cost?

Best regards

Ryan

Hi,

We need to buy this kind of product <https://www.vandagraph.com/products/mysign-o-oxygen-monitor-kit-0111277> for our company.

How can we do to receive the invoice with VAT number? Also, having in mind our law, we need the info about the transport (car number, drive name, company name), its possible?

Best regard.
