Hi Ryan - when you are free please can you contact Glen at Newhaven Scuba who wanted to order over the phone and pay over the phone - I panicked as still not sure how to use Square, and not sure I can even get into the Vandagraph one - he was happy for someone to ring him back though. I asked Mike but he is busy atm - he wanted 0110224 and his number is 01273 612012 - thank you
