Hi Sophie,

Can you change the invoice adress to:

AniCura Netherlands B.V.
[H.J.E. Wenckebachweg 123](#)
[1096 AM Amsterdam](#)this is changed a few months ago.
Invoice emailadress is facturen@anicura.nl
VAT numer is also new, this will be VAT: NL855619004B01Delivery adress is still the same: [Middenwetering 19, 3543 AR Utrecht](#)

Do we need to pay in advance?

Met vriendelijke groet,

Wilhelmien Kool

Good afternoon,

Thank you for your email. Please find attached a Proforma Invoice for 4x 2520020 as requested. Please can you check I have all your details correct? If any changes are required please let me know and I will make the necessary changes.

If you have any questions please do not hesitate to contact me.

Kind regards

Sophie Lines

Good morning,

Thank you for your reply. I can confirm we do supply the spare parts you are looking for:

- Part number 2530012 - Microstim DB3 Intensity Control Knob = €5.75 each

- Part number 2520020 (0.9M) or 2520021 (1.5M) - Microstim DB3 Patient Lead - Veterinary Croc Clips = €19/€20 each respectively

I have noticed you are emailing from a Veterinary clinic, in which case **we do still supply the Microstim DB3 for Veterinary use**. I have attached a leaflet for your records.

The cost for a new unit would be €235.00 EXW and these are available in stock.

Please accept my apologies for the incorrect information I provided initially.

If you require any further information please do not hesitate to contact me.

Kind regards

Sophie Lines

Dear Sophie,

We have one device which seems to be broken. The black button on the top is loose, so the device can no longer be turned on/off. Is this something that can be fixed?

I also need to order a few patient leads DB3 croc clips. Can they still be ordered?

I would also like to receive the details of the German company in case we want to purchase a new one.

Thank you very much in advance.

Good afternoon ,

Thank you for your email. Unfortunately, the Microstim DB3 device was discontinued as a medical product on the 17th May 2019. We may be able to assist if you have existing units requiring repair or spare parts, but we no longer manufacture or supply new units.

We now supply a new device that we purchase from Germany, would you like us to put you in contact with their local distributor?

Kind regards

Sophie Lines

Good morning,

I would like to have an indication what it will cost when we order a new microstim device
(2510000 Microstim DB3 Supramaximal Nerve Stimulator)

Please let me know,
Thank you in advance!
