Dear Salvador Hernandez

Thank you very much for your email.

The sensor you require is the R-22AT and we have them available.

If you are going to be ordering regularly and as you are commercial, we would like to extend our trade pricing to you.

R-22AT = GBP £42 each EXW.

Please note that you can not take advantage of our trade pricing if you purchase online. If you would like to proceed with an order, I can send you a proforma invoice and payment link if you wish to pay by card.

I look forward to hearing from you.

Kind regards
