Hi guys,

Please see attached forward-dated orders from Prosol for delivery in July, August and September.

Please note the required by dates, he has set the "Delivery Date Required" as the first day of the month but he does not want them invoicing in the preceding month, so please use his delivery dates as the picking date (or the first Monday after if these are a weekend).

If you have any queries, please let me know.

Thanks,
Steve
