Hi Angela,

Further to your enquiry about 4421504 Gas Sampling Line S Type - 2.5m, I can confirm that they are available with a minimum order quantity of 10 boxes. This holds a lead time of 8-10 weeks from the order confirmation date.

As mentioned previously, these show a shelf life of 3 years on the products labelling.

Should you wish to place an order, please let me know and I shall raise a proforma invoice for you.

If you do not wish to purchase, please let me know so I can close off this sales enquiry on our system. Thank you.

I look forward to hearing from you.

Please be aware we are closed for bank holiday on Monday.

Kind regards
