Good afternoon Jayesh,

Thank you for your reminder, this is the email I sent to you on Friday:

**Before I finish the proforma invoice, please could I advise you that the quotation my colleague Sophie sent you was in US dollars. Your order shows UK£. The pricing is different on our system for each currency.**

**Please could you confirm which currency you require?** In UK pounds the correct price would be £69.70 each.

I have used the addresses as follows:

I await your reply.

Many thanks.

Kind regards

Kate Griffiths
