Hi Yamina

The warranty is the same regardless of the manufacture dates.

!2 months from the date of invoice.

Because of the issues with supply from Teledyne, we have to plan ahead which does mean that we may have longer dates than previously.

Best regards

Ryan

Dear Ryan,

I received the 4 SENSORS , they are built in **May 2023**, almost 1 year. There is no issue with ? and what about the warranty?

The customer requires new sensors as per order to avoid any issue for them

Please let me know

Best regards
