Hi Ryan.

Please can I have:

2 x 0110224 R-33DE (Analox O2EII, O2EII Pro, 9100-9220-9B)

I'll need some analysers soon too, but these will have to wait for a time when I have better cash flow.

Can these be sent to my home address. I'm not yet back to normal shop hours yet due to remnants of illness.

BACS payment is fine, please forward the invoice / details. Is there another email address that I should be using for orders?

Thanks

Matt

Hi Matt

It is nice to hear from you, it has been a long time.

We didn't have you set up on our new system, but I have rectified that.

Please find our pricing and some product information attached.

You are free to place an order whenever you are ready.

There is no minimum order requirement, but we would ask for prepayment, this can be done by bank transfer or I can send you a payment link for card payments.

Please let me know if you have any questions.

Kind regards

Ryan

Hi,

Do we still have a trade account with you? I know it's quite a while since we've ordered from Vandagraph.

Thanks

Matt
