Good afternoon Bob,

Thank you for your enquiry.

The price breaks for part number 0110539 - oxygen sensor KE-25F4 (O ring input) (this sensor is not approved as a medical product, it is only suitable for non-medical applications) are as follows:

1 = € 119.00	2 = € 107.10 each EXW	3-10 = € 101.15 each EXW	11 or more = € 95.20 each EXW
--------------	-----------------------	--------------------------	-------------------------------

This is a non stock item so would have an approximate lead time of 8-10 weeks.

Do you still require a proforma invoice for 1 x 0110539?

Many thanks.

Kind regards

Kate Griffiths

Dear Bob,

Thank you for your email.

Please find attached a Proforma Invoice for the product required, plus delivery costs to the Netherlands - please let me know if I have all your details correct?

This product is not currently in stock, and I would estimate the lead time to be approximately 6 weeks from receipt of payment.

If you would like to make any changes at all, please let me know.

Kind regards

Sophie Lines
