Morning Kate,

Apologies for the late reply, I was waiting for Mike to speak to Steve and then myself. Yes please delete, the client isn't happy to wait as things stand.

Kind regards

Good morning Ashley,

Thank you for your order.

Unfortunately, we are unable to provide line one of your order - 4410530 - due to the unavailability of a key pulse oximetry component. As a result we will be upgrading the unit with SMARTsat pulse oximetry. We hope to be able to offer the upgraded unit by the end of the year, **but we have no finalised time scale.**

I have checked this with Steve Nixon, Commercial Director, and he is happy to speak to you if you require any further information.

With regards to your order, do you still require line 2 - 4420601 or should I disregard your order PO-02063?

Many thanks.

Kind regards

Kate Griffiths
