Hi John

Thank you very much for your email.

Please find a proforma invoice attached.  
I have added the transport by Airmail which I expect could take a while to reach New Zealand. We can upgrade this to UPS, which would be much quicker, the cost for that would be an additional GBP £20

Please let me know if you require the transport amending or if you are happy to proceed and I will send you a payment link where you can make a card payment.

Kind regards  
Ryan
