Hi Ryan

Thanks for the reply, I understand but yes a voucher for a sensor would be great, many of the divers have their own personal analysers so I'm sure it will be well received.

Whilst I am emailing, can I order a replacement sensor R-17VAN P/N: 0110217 for our own analyser.

Kind Regards

Brendon

Hi Brendon

Thank you for your email and a chance to be involved in your event, I apologise for my late reply.

It is difficult for us to be involved in these types of events, as we basically have two product types; analysers and sensors.

Analysers are a little too costly for us to give away for these types of events and sensors are considered a spare part and I am not sure it is really a good gift.

Would a gift voucher for any replacement sensor we offer be an acceptable prize? Or is there anything else you could suggest?

Best regards

Ryan

Hi

As you may know, a group of southwest BSAC clubs have been running the "Kernow Dive Festival" for over 20 years now! <https://kernowdiving.org.uk/>

The festival sees clubs from across the southwest and further afield come together at Penzance to raise money for our chosen charity, the Diving Diseases Research Centre in Plymouth. <https://www.ddrc.org/kernow-dive-festival/> In the last 21 years we have donated over £53000 to this very worthy charity.

The 2024 event is being held on the **14th-16th June** and already has over 150 divers attending.

Seaways Diving and our local BSAC club, Peninsula Sub Aqua Club, have supported this event from its inception, both by attending and donating prizes for the raffle and auction each year.

I have personally been involved as one of the organisers from the beginning and this year have been tasked with securing some prizes for the Auction & Raffle. We have previously had such items as BCD's, undersuits, wetsuits, torches, stainless reels, DSMB's, dive vouchers and boat charters donated but any diving related items or vouchers large or small are well received and each supporter is credited during the event.

I would be very grateful if you would be able to donate a prize for this year's event, I will be glad to receive them here at the Seaways Diving to take down to the weekend.

My apologies if you have already been contacted about this by another organiser and donated something.

Kind Regards

Brendon
