Good morning Bob,

I hope you are well.

I have been informed by our commercial director that the lead time for your order of part number 0110539 - oxygen sensor KE-25F4 (O ring input) is now **mid September 2024** and that this sensor type will be discontinued by the manufacturer after September.

Please could I ask if you are prepared to wait until mid September for this item?

Many thanks.

Kind regards

Kate Griffiths
