Dear Derya,

Thank you for your email. I can confirm the cost of a V1000 annual service and functional check (which includes a new Calibration Certificate) is £60.00 plus £12.00 return carriage (plus VAT). An official quotation will be emailed to you after our engineers have assessed the equipment, from which you can then raise a Purchase Order.

I have generated a return reference for you - **SRS68807**. Please can I ask that you use this reference on any paperwork and packaging and send your V1000 to the following address:

SRS68807
Viamed Ltd
15 Station Road
Cross Hills
BD20 7DT

If you could please include a certificate of decontamination status that would be great.

If you require any further information please do not hesitate to contact me.

Kind regards

Kind regards

Sophie Lines
