Re: Statement of decontamination for VM-2500-S service No. SRS68783

The following VM-2500-S Veterinary, job number SRS68783:

- REF: 4410540
- SN: 50940144
- Model No. FW 7660M/06

has been externally disinfected and cleaned but **has not been fully decontaminated** with regard to inhaled respiratory gases that have passed through the machine itself.
