Hi Sally,

Thank you for the order 258403, no problem.

Please could I advise you that the correct price for the MAX-13, part number 0110413 is £101.20 each. This is a non stock item so the lead time is approximately 2-3 weeks.

We can offer the direct alternative of part number 0110041 at £40 each, these are currently in stock. Please see attached data sheet for both sensors.

Please let me know if you would like me to proceed with the correct pricing for the MAX-123, or with the in stock alternative.

Many thanks.

Kind regards

Kate Griffiths
