Yes, I sent a copy. Another copy has also been attached to this email. It is only a small amount, but it triggers our ISO procedures if unpaid.

We will try and supply ASAP. If necessary we could supply a part shipment after 6 weeks.

Do you want us to proceed with the full order of 80 boxes?

Dear Alireza

We can try and produce earlier, but I cannot promise. I thought that they may be urgently needed, that is why I followed up the quotation.

If necessary, we may be able to supply a small part shipment from our regular stock.

Steve

No problem Alireza, I hope you had a good visit to Tehran.

Are you OK with the production lead time of 12 weeks?

If you are back in Sweden can we ship the old Trionara patient monitors, we should have shipped them earlier.

Steve
