Hi Cathy, you gave me w/d as 23x15x15cm 1.10kg for 15 x 0110420, 4 x 0110425, 10 x 0110427 and 15 x 0110429 - Thailand. They have now removed the 4 x 0110425. Will it change the w/d please? Thank you

Cathy, 16:44

leave as is as i think I may have missed one of the types of sensors off the original quote
