Hi Kate

Sorry for the confusion. They require the parts below:

2x 0110429
3x 7910110
3x 9730215
2x 7910201

Thank you
Ryan

Hi Ryan,

This is their **new** order:

REF.	COD PROV	DESCRIPCION	UNID	PRECIO	IMPORTE
SBN12	7910102	ANALIZADOR OXIGENO VANDAGRAPH VN202 + DIN KIT	3	142,00	426,00
TK0110429VAN	0110429	CELULA VANDAGRAPH MAX250-E	2	59,00	118,00
TKAN01017910201VD G	7910201	ANALIZADOR OXIGENO VANDAGRAPH TEK OX	2	140,00	280,00

Do they need 7910210 (manual) instead of 7910201 (auto)? They have not changed the part number.

The new PO they sent in is for the above, but their **old** order is as follows:

Item Reference	Description	Quantity	Unit	Unit Vat	Total
7910110 Tariff 90271010 CoO United Kingdom	Oxygen Analyser VN202mkII Manual	3	120.00		360.00
9730210 Tariff 90271010 CoO United Kingdom	Quick-Ox Sampler	3	12.00		36.00
7910201 Tariff 90271010 CoO United Kingdom	Oxygen Analyser Tek-Ox Auto + Quick-Ox	2	125.00		250.00
PPUPS6	UPSCourier deliverv - Standard.	1	0.00		0.00

Same PO number on the one I am amending and the new PO. Does one PO replace the other? Or is it

3 x 7910110
3 x 9730210
2 x 7910210 (auto version I think)

and

3 x 7910102
2 x 0110429

Sorry, I am lost.....

Kind regards

Kate Griffiths

Hello Ryan,

I have included 2 more products.

I confirm we want VN202 manual version, so please send everything together.

Best regards

Hi Javier

The pricing is exactly the same, I have attached our trade price list with the references listed and a copy of your order confirmation.

Thank you and best regards
Ryan

Hi Javier

The manual version does not turn off automatically, you have to press the power button to turn it off.

You can identify the different models by the colour of the power button:

Yellow - auto switch off

Green - manual switch off

Best regards

Ryan

Hi Javier

I am not sure at the moment, but I would estimate it is likely to be a couple of months.

Best regards

Ryan

Asunto: Re: NEW ORDER (PA20003178) VANDAGRAPH

Dear Javier

Thank you very much for your order.

Unfortunately we are experiencing some delays in production of the VN202 and we currently only have the manual switch off version available from stock. At this time I am unable to give you an estimated delivery date for the Auto Switch off model.

I am very sorry for the inconvenience, please can you let me know how you would like to proceed:

- Switch to the manual version
- Cancel the VN202 from your order
- leave the Auto VN202 on back order

I will await your reply.

Best regards

Ryan
