Hello Phillip

Good afternoon

Thank you for your email.

I do need to advise you the Microstim has been discontinued and the device that we now supply is the TOF 3D., the current price for that is **£1400.00** each ex VAT, can you please advise if you still require a quote.

If you do can you also confirm whether you would like to use a reusable hand adapter or the single-patient use thumb or eye adapters so we can add the correct accessories to the quote.

I also need you to confirm which hospital this is for, St James or Leeds General Infirmary.

Please let me know if you require any further assistance.

Kind regards
