

Hi Helen, Novamedisan, CID25627 have asked "if it's possible to change the payment terms from anticipated to 30 days from invoice date, since we've been working with you for two years and we are interested to continue in the future". Their latest order is for goods value of €7,744.00 (eyemax). Thank you

HL

Helen, 10:29

oh they want a credit account. Yes thats fine with me we need to make sure we have correct email address for invoices and if they dont pay in terms they may be put back on proforma
