Objet : Re: O2 cells

Hi Frederick

0110581 Oxygen sensor OOM202 = EUR €36 each EXW

0110582 Oxygen sensor OOM204 = EUR €60 each EXW

Delivery time would be approximately 4-6 weeks, but we can offer our labelled version (same sensor) in place of these sensors and we have them available from stock:

OOM202: 0110049 Oxygen sensor R-49V = EUR €36 each EXW

OOM204: 0110047 Oxygen sensor R-47V = EUR €55.20 each EXW

We are continually adding sensors to our range, the latest one is for the Maquet Servo s/i ventilators. We offer a large saving on this sensor, if you have any clients using them I am sure they would be interested.

Best regards

Ryan

Hello,

Would you mind sending me the latest pricelist of O2 cells ?

In the mean time could you please let me know the actual delivery delay for OOM-202 and OOM-204 cells type ?
