Steve just received this PO

Memo for 1430309 says not for sale, but I cannot find a quote for them or any SRS

Steve, 16:19

I spoke to Daniel Cribb last week about this, tried to get him to return it for repair but he wanted to buy the parts to do it himself. We can supply it to him as he says they have done this repair before.

ok I will process the order then as long as you can vouch for it lol

don't want to be getting in any bother

Steve, 16:22

Just put a note on the order if you like saying agreed by Steve H
