Hi Ryan

Thanks very much for sending across

The address would be below

Would it be acceptable to use this email as confirmation to place the order or do you need a PO number to start the process? Completely understand if that's the case

Hi Tim

Thanks for your call and please find your quotation attached.

You mentioned delivery to Aberdeen? Depending on the address, we may need to change the delivery to Royal Mail, as there are certain areas within the Aberdeen region that are classified as extended areas and cost a lot more by

UPS.

Best regards

Ryan
