Good morning all,

I am urgently requiring X2 Oxygen sensors for the R-17VANS/N:106877. Firstly, do you have them in stock, if so could you send them out today which would allow one of my guests to bring them to me on Saturday.

I eagerly await your response, my wife Emma is copied into this email and will be able to assist with payment and UK shipping details.

Kind Regards,  
Tony
