Dear Marta

Thank you very much for your enquiry.

Unfortunately we do not have a regular dealer in the US, but we would be happy to quote you directly at our trade pricing.

We do not impose any minimum order quantities, we would only ask that orders are prepaid by either bank transfer or credit/debit card.

Please find our trade pricing and some product information attached.

I look forward to hearing from you and please do not hesitate to contact me if you have any questions or concerns.

Kind regards

Ryan
