Hello

Good afternoon

Thank you for your request.

We currently are out of stock of the Oxygen Sensor OOM204 however we do have a alternative which is the R-47V.

The only difference is that this is the viamed badged version.

I will attach some information below for the R-47V oxygen sensor so you can have a read and have a better understanding.

Please let me know what you would like to do.

Kind regards
