Quotation

Account Number: 193184
Order Reference:
Quote Number: 1545271
Date: 20-Nov-2015

Dear Steve Nixon,

Thank you for your recent enquiry. Based on the information provided, I am pleased to offer the following quote;

Code	Hazardous	Material Name	Quantity	Price Per Unit	Total
AE	Yes	Acid, Acetic 50% (lt)	200.000	£ 1.84	£ 368.00
2522	No	Drum, Plastic (205lt) Open Top	1.000	£ 22.00	£ 22.00
Additional Charges					Total
EA Consignment Note Fee					£ 38.00
Transport charge (£0.09 per Nominal Litre, minimum £70.00 charge applies)					£ 70.00

Total: £ 498.00

Discounts are available for rota, large, regular and pre-scheduled collections on request. Suitable containers can be provided if required. Please note all charges are subject to VAT and are valid for 90 days from the date above. Please review our Terms and Conditions by visiting www.wastecare.co.uk/terms-conditions/. We reserve the right to levy additional charges should the materials not be as described or our vehicle be held on site for an excessive time.

HWR Registration

According to the E.A. Hazardous Waste Producer Register you are currently not listed. If you are currently producing over 500lt/kg of hazardous waste per annum your site(s) will need to be registered with the Environment Agency. This will need to be done prior to the first collection. We can do this on your behalf at a cost of £28.00.

Payment Terms

Payment is by credit or debit card upon point of booking collection or by direct debit within 30 days of invoice. Alternatively, we will be pleased to set up a trading account for invoices over £500, subject to application.

Added Value

WasteCare offer a wide range of waste recycling and recovery services. By offering a total waste management solution we believe we can significantly reduce your overall waste management costs as well as improve service levels, accountability and environmental compliance.

Why Choose WasteCare?

- Over 30 years recycling and recovery experience.
- National fleet of over 250 vehicles & 12 licensed regional facilities.
- Online account management providing live time material tracking.
- Zero to Landfill policy.
- ISO 14001 and 9002, PAS141, ADISA accredited.

We look forward to being of service, in the meantime, please do not hesitate to contact me should you require any further information.

Kind regards

Julia Jones
