Hi Ryan,

a month ago we ordered two O2 sensors.

We would need 2 O2 sensors R33DE

Can you provide us with a proforma invoice but increase the number to 3 please and confirm delivery time?

Look forward hearing from you at your earliest convenience. It has been a while already and we desperately need these sensors.

Thanks for coming back to me

Cheers

Hi Bill

Thank you very much for your enquiry.

We would be happy to supply you on a trade basis.

We do not impose any minimum order quantities, but we would ask that your initial orders are prepaid by either bank transfer or card.

Please find attached our price list and some product information.

When you are ready to proceed with an order, please send us the following information and we will set you up on our system:

- billing and delivery addresses
- company VAT & EORI number

I look forward to your response and any questions you may have.

Best regards
Ryan

hello,

we are a divecenter in The Netherlands and are looking for O2 sensors for the Oxyll analox O2 sensors. Can we become dealer or reseller and what are the conditions for this if such is the case.

Are the originale Analog O2 sensors still available?

Thanks for coming back to us

Cheers
