No problem Nicoleta,

Please accept my apologies for the delay in sending the proforma invoice, I am waiting for a colleague to provide me with the weights and dimensions in order for me to work out the carriage charge.

We do not have enough stock of part number 1114007, the lead time may be 2-3 weeks approximately.

As this is an unusual amount of the tiny size masks (micro), our commercial director has asked me to check again that it is this size you require.
