Good morning, Sophie,

Sorry for my late response to your email, I have only just got confirmation back from the office, yes that is the correct cable, so when you invoice us for the total amount please just add on the extra £20 and extra VAT, we will edit our PO this end when we receive the invoice.

Thank you for contacting me on this subject, I hope you are well Sophie and that you have an amazing weekend if I don't speak to you again before.

Kind Regards

Good afternoon Austin,

Thank you for your order. I can confirm we have the R-17V Oxygen Sensor available in stock at the moment.

Regarding the 2nd line of your order, for 4x Connecting Cables - please can you confirm that you require the following part:

0131202 - Oxygen Sensor Cable Black

These are priced at £20.00 each (plus VAT), and not £15.00 as you have quoted - please let me know if you are still happy for us to proceed?

Kind regards

Sophie Lines
