Thank you for your new order.

I see that you now require **30** x 1114007, not 300. I will send you a proforma invoice as soon as I can that shows the different carriage charge etc. for the revised order.

Kind regards

Kate Griffiths

In the last price list I've seen that if we buy 5 pulse oximeters the price is 320,00 euros.

Could you send me the new price list?

No problem Nicoleta,

Please accept my apologies for the delay in sending the proforma invoice, I am waiting for a colleague to provide me with the weights and dimensions in order for me to work out the carriage charge.

As this is an unusual amount of the tiny size masks (micro), our commercial director has asked me to check again that it is this size you require.

Good morning,

Thank you for your order.

Please could I check the following with you?

Line 1: You have used part number 1114005 which is the part number for the *regular* size 32 - 38 cm - ref. R300P01. but you have also mention R300P03 which is the reference for the *micro* size (11140074) 20 - 26 cm. I have attached a leaflet.

Line 2: the correct price is €345 each for 0012165.

Line 3: your description is for a different item to the part number 0014850. I think I have not quite understood this line.....but I have used part number 0012165...

I have attached a snip of the draft proforma that I have created, but I believe it may need to be changed.

Please could I also check the correct address is:
