Good Morning,

Thank you for your order,

Unfortunately we do not have any VN202 Auto Switch off in stock. we don't have a time frame for when they will be returning to stock just yet.

We do still have the manual switch off VN202 available if you would like me to change your order so we can have it dispatched in the next couple of days.

If you have any queries please let me know.

We are sorry for the inconvenience.

Kind regards

Michael Lamb
