Hello Renny

Good afternoon

I have tried emailing you numerous amount of times but all the emails were bouncing back to us.

I will state our current price below for the product you require.

**0110425 - Oxygen Sensor Max-250 With O Ring**

1 = \$60.10 each

I also need to advise you your payment was received for MVM151902 but was paid into the incorrect currency by your bank so the payment is not enough.

We received £1326.57 which was converted from USD from your bank and then to Gbp and then back to USD from our bank so it got converted twice.

You will need to make a the remaining payment of **\$71.04** for us to process the order.

Please see attached below of how much we received.

Please let me know if I can assist with anything else

Kind regards

Aqib Majeed
