Many thanks Andreas,

Payments can take a day or so to arrive in our account.

We do have one of these sensors in stock. **The manufacture date is July 2023.** This is an older sensor than we usually like to send out, but if you are in a rush you could have this one. It has the full 15 months guarantee and is in the sealed sensor bag.

Alternatively, we are expecting fresh stock in mid October.

Please let me know how you would like us to proceed.

Many thanks.

Kind regards

Kate Griffiths
