Hi Sally

Many thanks for your e-mail with regards to the case on 16<sup>th</sup> March, I need to liaise further with Vasu in relation to the machine to be used as if it is hydro-dissection Aqualift as opposed to a fat harvest for facial filling it would need to be the Bodyjet Evo which I bring along.

In relation to Product Order Codes for the WAL Bodyjet Applicators and 3 Litre liners the order code numbers would be:-

Cat No.	Description	Price Ex-VAT
500001	WAL Applicator	£695.00 per 5 pcs
57157	Serres Suction Liners 3L	£130.00 per 24pcs

Upon receipt of your P/O I will arrange immediate despatch for delivery by Wednesday 10<sup>th</sup> Feb latest.

Best regards

Karen

Good morning, Karen

I hope you are well.

Mr Karri will be doing the Aqualift facelift on Wednesday 16<sup>th</sup> March at his clinic in Willerby (address below), commencing 9.00am. I note that you will be bringing the following:

- Bodyjet Eco and cannula for Aqualift
- New 8-hole cannula that Mr Karri could use for lipoedema liposuction.

I shall need to order from you another set of Bodyjet applicators and suction bags (2 of each). Could you please advise me of the codes/cost of these items and I shall send you a purchase order.

Finally, could you please confirm the dates for the HumanMed Conference in Berlin.

Many thanks and kind regards

Sally Lance
