Good afternoon,

Thank you for your email. Unfortunately, the AX300 Oxygen Analyser is no longer available, but we do still supply the replacement Oxygen Sensors (R-17MED).

We do have some alternative Oxygen Analysers on our website if you would like to see whether any of these would suit your requirements?

If you would like any further information on any of these products, or would like to place an order, please let me know as we can send you an official Quotation or Proforma Invoice, including carriage costs direct to you in Belgium.

Kind regards

Sophie Lines
