Good afternoon Karl,

Thank you for your PO RXFN400145681.

The correct price of part number 2510103 - **TOF 3D stimulation cable with pinch clamps** is £110 each, plus £8 carriage, plus VAT.

I believe you rang earlier and spoke to my colleague Emily. The part number given to her over the telephone was 25101403. When she was unable to locate that item, she was given the the description of the **DB3 patient lead**, which does cost £18 each, plus £8 carriage

Please let me know if you require the DB3 patient lead (part number 2520000) or the TOF 3D patient lead (2510103) and if you accept the £8 carriage charge.

Many thanks.

Kind regards

Kate Griffiths
