Good afternoon,

Just a quick email to check whether you would like me to email you the proforma invoice for your latest order 535/01/2024? You had previously asked for your orders to be shipped together. This order could be shipped when paid for as stock is available.

Many thanks.

Kind regards

Good afternoon Lidia,

Thank you for your order 535/01/2024.

I am unable to add this order to your other one as this one is a proforma invoice while the other has been paid for. I can of course arrange for them to be shipped together.

Please note however that your other order/s 476/01/2024 and 484/01/2024 have an approximate lead time of the end of October. If I say we will ship your orders together, *this new order would be delayed.*

Please advise me how you would like me to proceed.

Many thanks.

Kind regards
