Good Afternoon,

I hope this message finds you well.

I wanted to follow up on my previous email regarding your interest in the Microstim DB3 Patient Leads. To proceed with your order, we would still require the following details:

- Delivery address
- Invoice address
- Quantity of leads required

Once I have this information, I will prepare a proforma invoice, including any relevant charges, for your review.

Please let me know if there's anything further I can assist with. Should you not longer have a requirement please let us know and we shall remove your enquiry from our chase list.

I look forward to your response.

Kind regards
