Hi Sophie,

It is indeed, due to the delays we wanted to get another order in early as we still have another 15 machines to service,

Regards

Good afternoon,

Thank you for your order GG14789. Please can you confirm whether this order is required in addition to the order we have already received in relation to quote QVM151650? (GG14073 see copy attached).

I have been in contact with David Glet regarding order GG14073, as he amended this order over the phone to the following:

10x 0110468 (MAX-125M Oxygen Sensor) - £87.20 each

10x 0110416 (MAX-16 Oxygen Sensor) - £82.90 each

I have requested an amended copy of the order GG14073 to match our order confirmation (please also see attached) as I am concerned this may cause problems when it comes to invoicing. Any help with this would be greatly appreciated.

Kind regards

Sophie Lines
