Dear Mr Swaine, I hope this message finds you well...

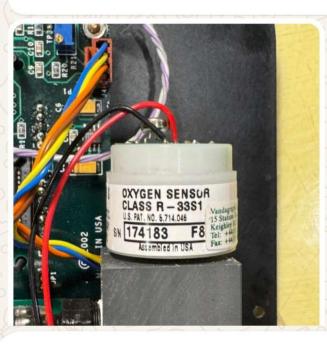

I am writing you from Istanbul assuming that you will remember me from my previous orders - we even once met at London Dive Show where you kindly brought me a new oxy sensor.

Now I need a new one for my He/Ox analyser (Mixchek).

Would you pls send me a quotation for a O2 sensor to be sent to my London address below? (See photo below)

Selcuk Kolay 12 The Quadrangle Chelsea Harbour London SW10 0UG All the best...
