Hi Sudath,

Part number 011801 - OOMLF102-1 is currently in stock, **but stock is very low**. The price is £44 each EXW.

I have spoken with the warehouse team, and they have informed me that **I am unable to put an order on which has two different shipping dates**. I can of course send you two proforma invoices for you to agree, and I can then add a later date of your choosing to one confirmed order. ie. one would be a forward order.

I will email you the two proforma invoices later today.

Many thanks.

Kind regards
