Hello Ziad

Good morning

I have just contacted the UPS team myself and they have confirmed they are still delivering to Lebanon.

Do you want me to add the 70 x R-49v's to your order?

Please let me know so I can update your proforma invoice.

Dear Aqib,

Thank a lot for your reply.

I confirm the PI and information are correct.

Can you check what would be the delivery delay?

Because of the war in Lebanon most of the flights have been suspended to Lebanon Beirut International Airport,

Can you check on that?

Best regards,
